## **RB140**

Battery Operated  
Ride On Road Sweeper

Perfect From Product To Service

# UPEKKHA RB140

## Battery Operated Ride On Road Sweeper

**Big | Bold | Brilliant | Boundless | Balanced**

Sweep your floors all in one go with elegance! Cleans up to **8,500m<sup>2</sup>/h!**  
The machine is easy to guide thanks to excellent steering due to it's high degree of maneuverability!

Ergonomic handle that eases the removal and installation of the spacious hopper from the back of the machine.

Straight forward controls in the form of buttons on the control board that improves the user's operation.

Contains a specially dedicated compartment for important tools and documents whichever the user sees fit.

Has an overhead safety precaution measure that protects the operators head from rain, shine and not to mention falling of light objects.
